The A. C. Read Professional Staff is focused on making the 2016 Spring Junior Program FUN while still teaching valuable lessons that the game of golf provides. Every junior golf experience at A.C. Read has two ingredients:

- Fundamental golf skills (grip, stance, posture, ball position, aim, putting, chipping and full-swing with irons and woods)
- USGA Rules and the etiquette of the game

All leagues will meet at the A.C. Read GC practice area and include practice balls, instruction, and practice green access. Practice sessions will cover fundamental golf skills listed above as well as effective practice and course management. Life skills such as honesty, respect, and sportsmanship will be integrated also. Fun games and drills will be used to reinforce a solid golf swing.

A.C. Read GC Dress Code

The A.C. Read GC dress code is designed to maintain an atmosphere consistent with the tradition of golf. All golfers must adhere to the following. Tank tops and halter tops are not allowed on the golf course or practice areas. Tee shirts are allowed but collared shirts are preferred, especially for league matches. A.C. Read GC is also a soft spike facility.
