

Parent Code of Ethics:

By registering your child for Navy Youth Sports, you agree to provide positive support, care, and encouragement for your child and other children in youth sports by following this Parent Code of Ethics:

- I will encourage good sportsmanship by demonstrating positive support for all players, coaches, and officials at every game, practice, or other youth sports event.
- I will place the emotional and physical well-being of my child ahead of my personal desire to win.
- I will support coaches and officials working with my child, in order to encourage a positive and enjoyable experience for all.
- I will demand a sports environment for my child that is free of drugs, tobacco, and alcohol and will refrain from their use at all youth sports events.
- I will remember that the game is for youth - not adults.
- I will do my best to make youth sports fun for my child.
- I will ask my child to treat players, coaches, and officials with respect regardless of race, sex, creed, or ability.
- I will help my child enjoy the youth sports experience by doing whatever I can, such as being a respectful fan, assisting with coaching, or providing transportation.
- I will have my child at as many practices and games as possible.

Inclusion:

Navy Youth Sports welcomes children with special needs into our program when reasonable accommodations can be made. Please identify any health concerns or special needs your child may have when registering for Navy Youth Sports so that we can determine together what accommodations your child may need to be successfully included. If you have any questions or concerns, please do not hesitate to contact your Navy Youth Sports staff.

NOTE:

I will be present at all practices and games in which my child participates. If my child has any special needs, I will have any applicable medications or devices needed by my child.
